WORK EXPERIENCE

Graphic Designer — 2016 - 2019
2M Style | Cairo
It is a clothing factory. I was primarily responsible for specializing in designs, including social media designs and print designs on clothes, and I benefited from them with the experience of printing on clothes and gaining experience.

Graphic Designer — 2020 - 2022
Golden Metal Group | Cairo
It is a factory specializing in suspended ceilings, gypsum boards, and hydraulic equipment. It enables those responsible for social media designs, filming exhibitions, editing videos, explaining products, and some website programming.

Graphic Designer — 2023 - 2023
Kaya Express | Dubai
It is a shipping and logistics company, and I was in charge of the graphic department for social media designs and some follow-ups, and I gained experience in designing publications.

ABOUT ME

I am a person who loves learning and discovering more. I love the field of graphics because there is always creativity and new ways of creativity. In the recent period, I began to turn to the field of website programming because after research, I found a strong connection, and in the end, whatever it is, I love to learn it.
